Dear Howie –

I'm writing on behalf of the whole Club to extend our thanks and let you know that we think your entertainment on the keyboard and singing helped to make the Captain Lawrence Fundraiser the big success that it was.

Your playing, singing and song selection were right on cue and kept our guests entertained and involved through the entire evening.

It was very kind of you to share (DONATE) your talent and time to us. Thanks for recognizing the value in the good work Rotary does and supporting us in the way you have. We hope you'll do it again for us soon.

Again, on behalf of the Club a huge thank you!

Yours in Rotary Service,

BRIARCLIFF ROTARY
